

# THE DOG WHO WOULD BE KING

A 24 HOUR COMIC by

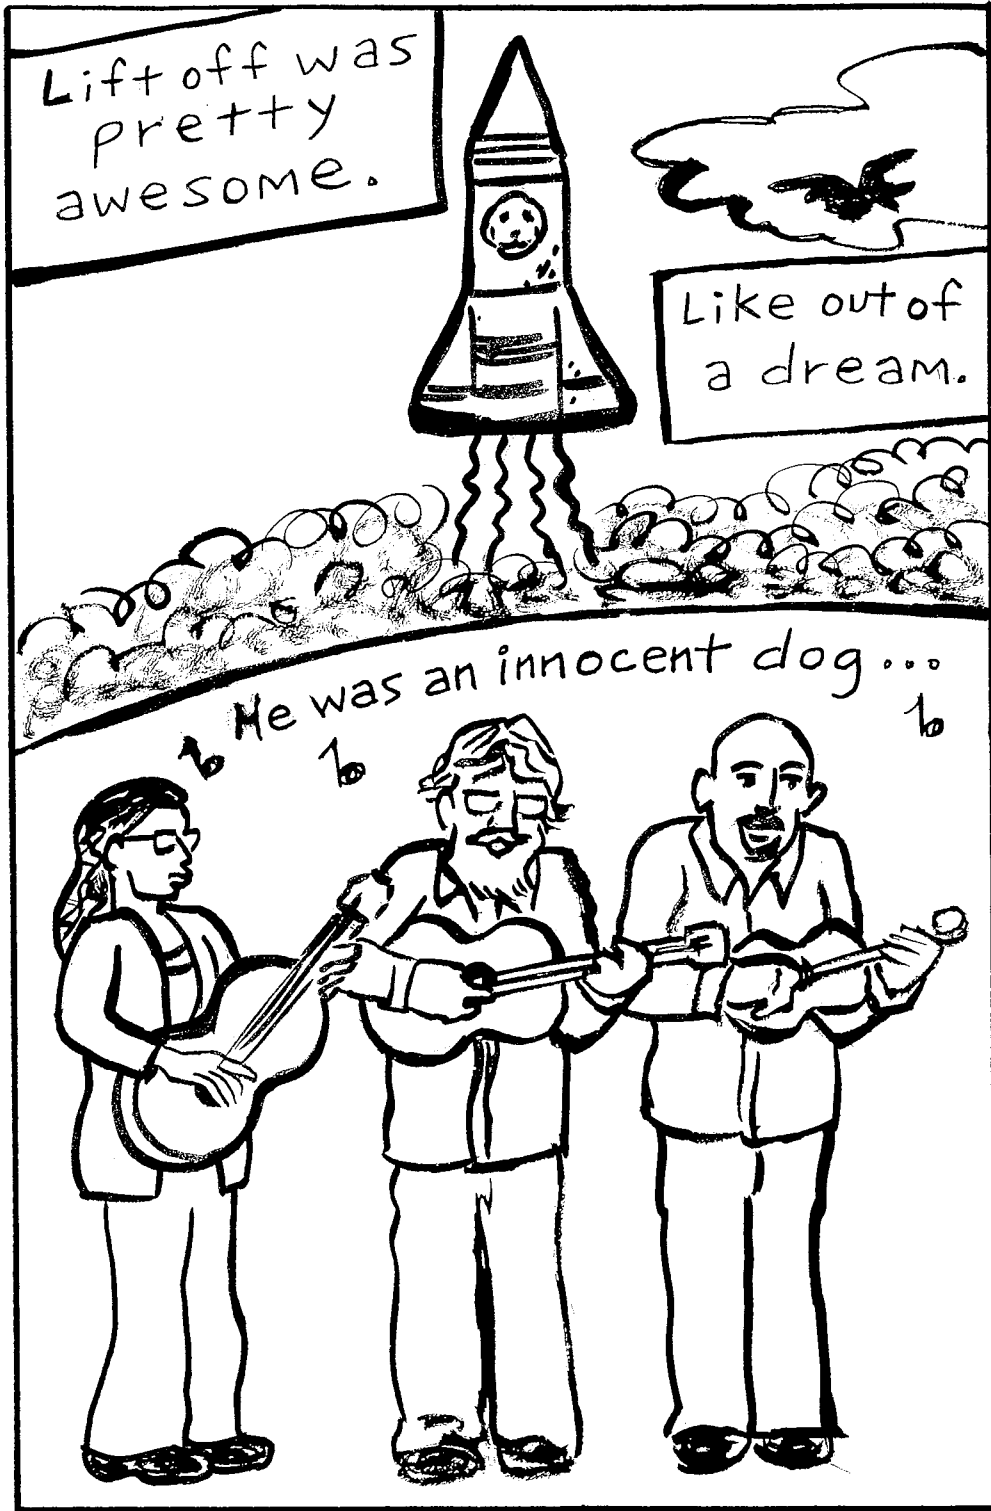

Henry Chamberlain

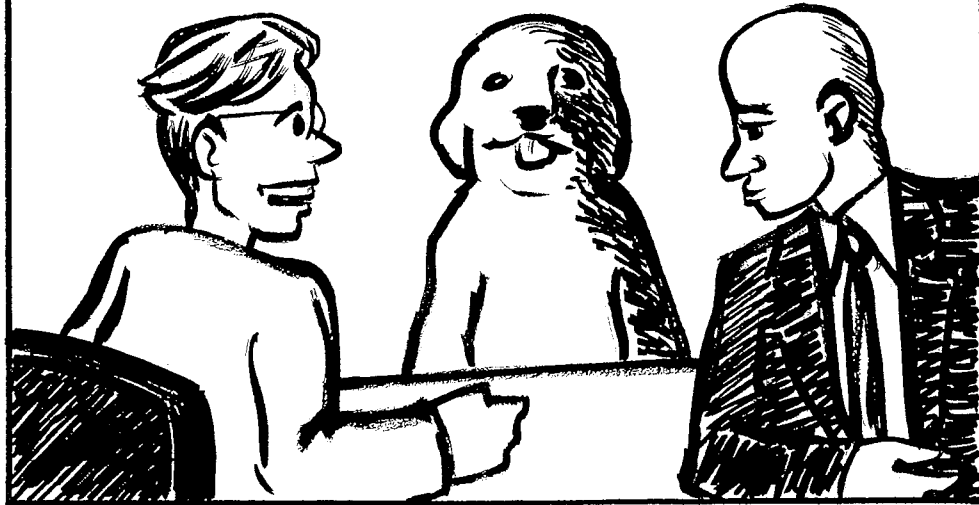

We live  
in such a  
fast world.  
Nothing will  
ever be the same.  
Nothing ever was.  
We just have  
far more shit to  
deal with.

57 HOURS EARLIER...

The most insanely inane questions were asked.

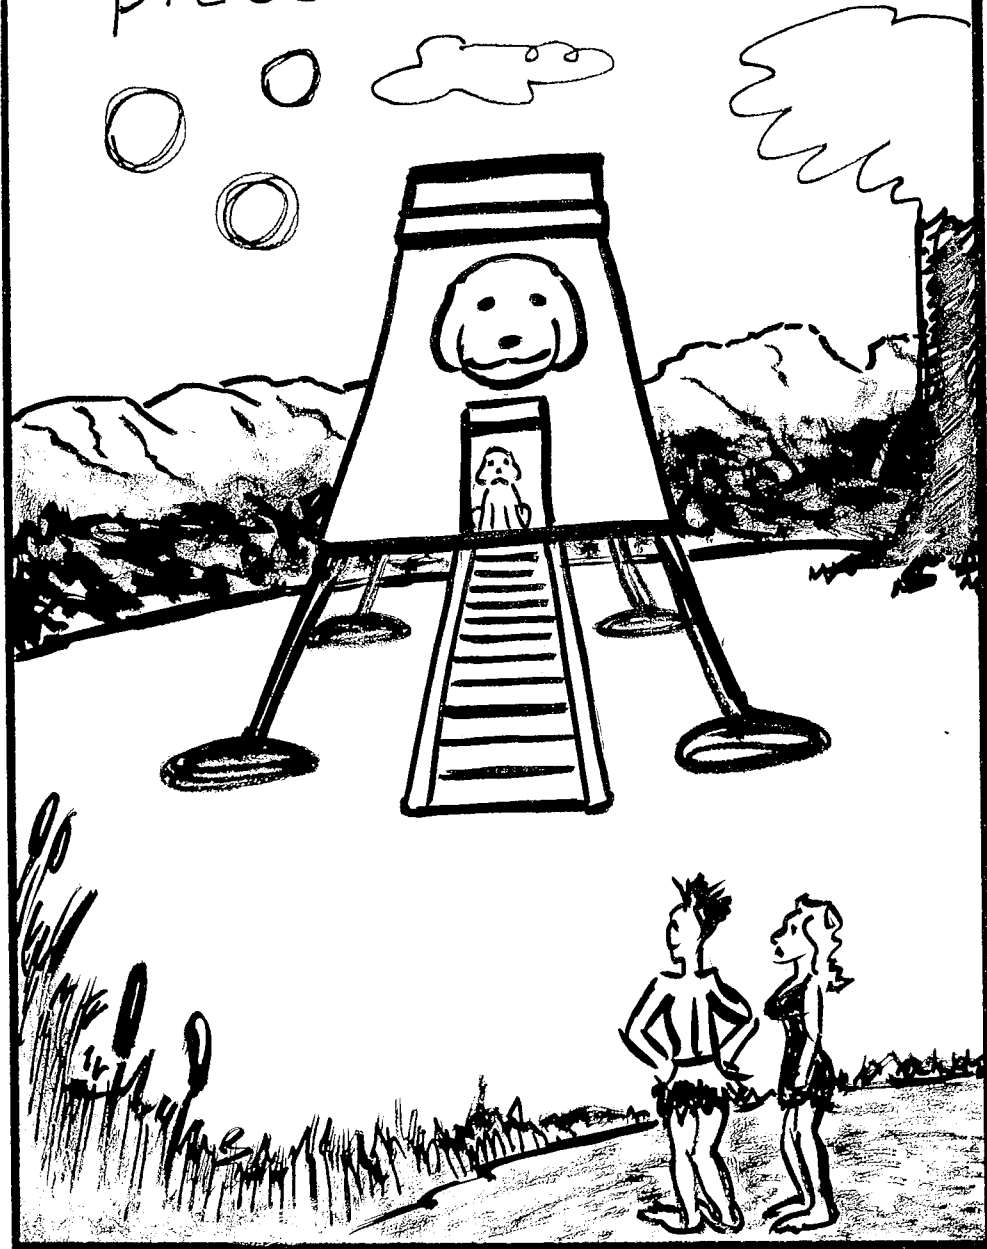

Tell of some situation in which you have had to adjust to changes. What was the impact of the change on you?

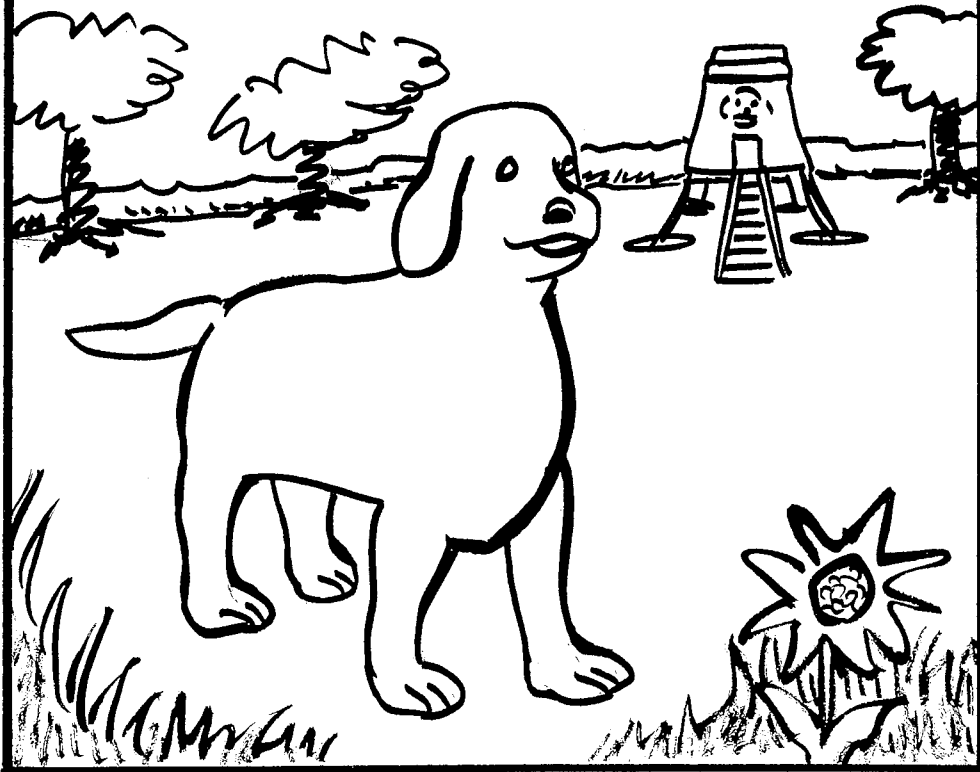

Landing was a  
piece of cake.

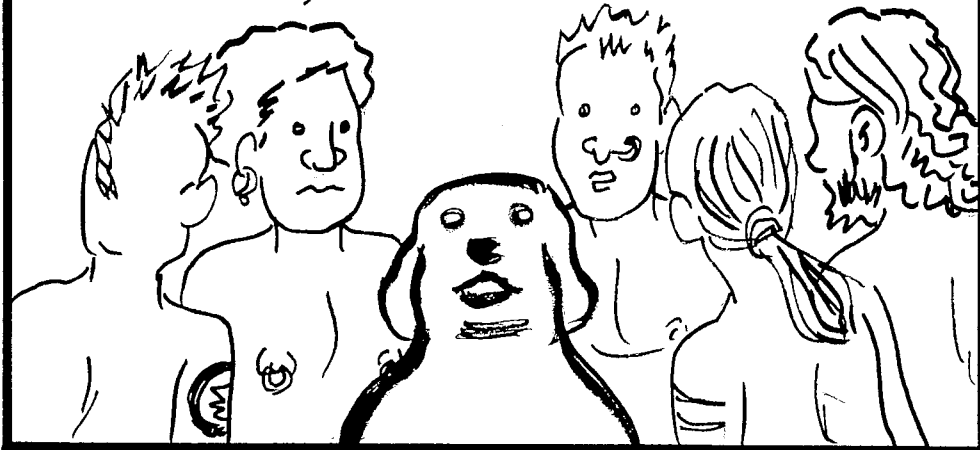

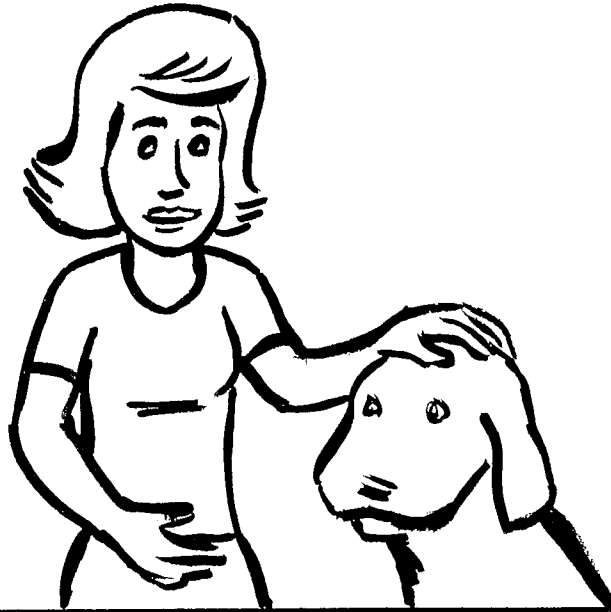

No stupid questions. No master.  
Nothing at first.

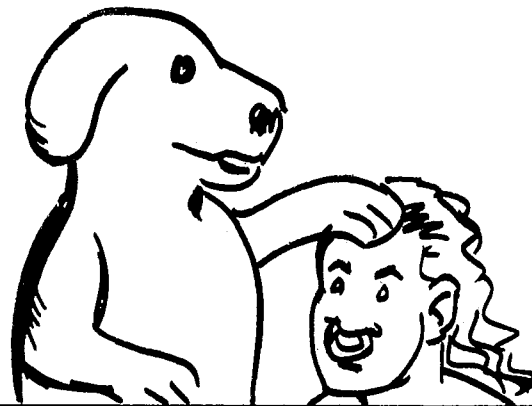

Then they "discovered" me.

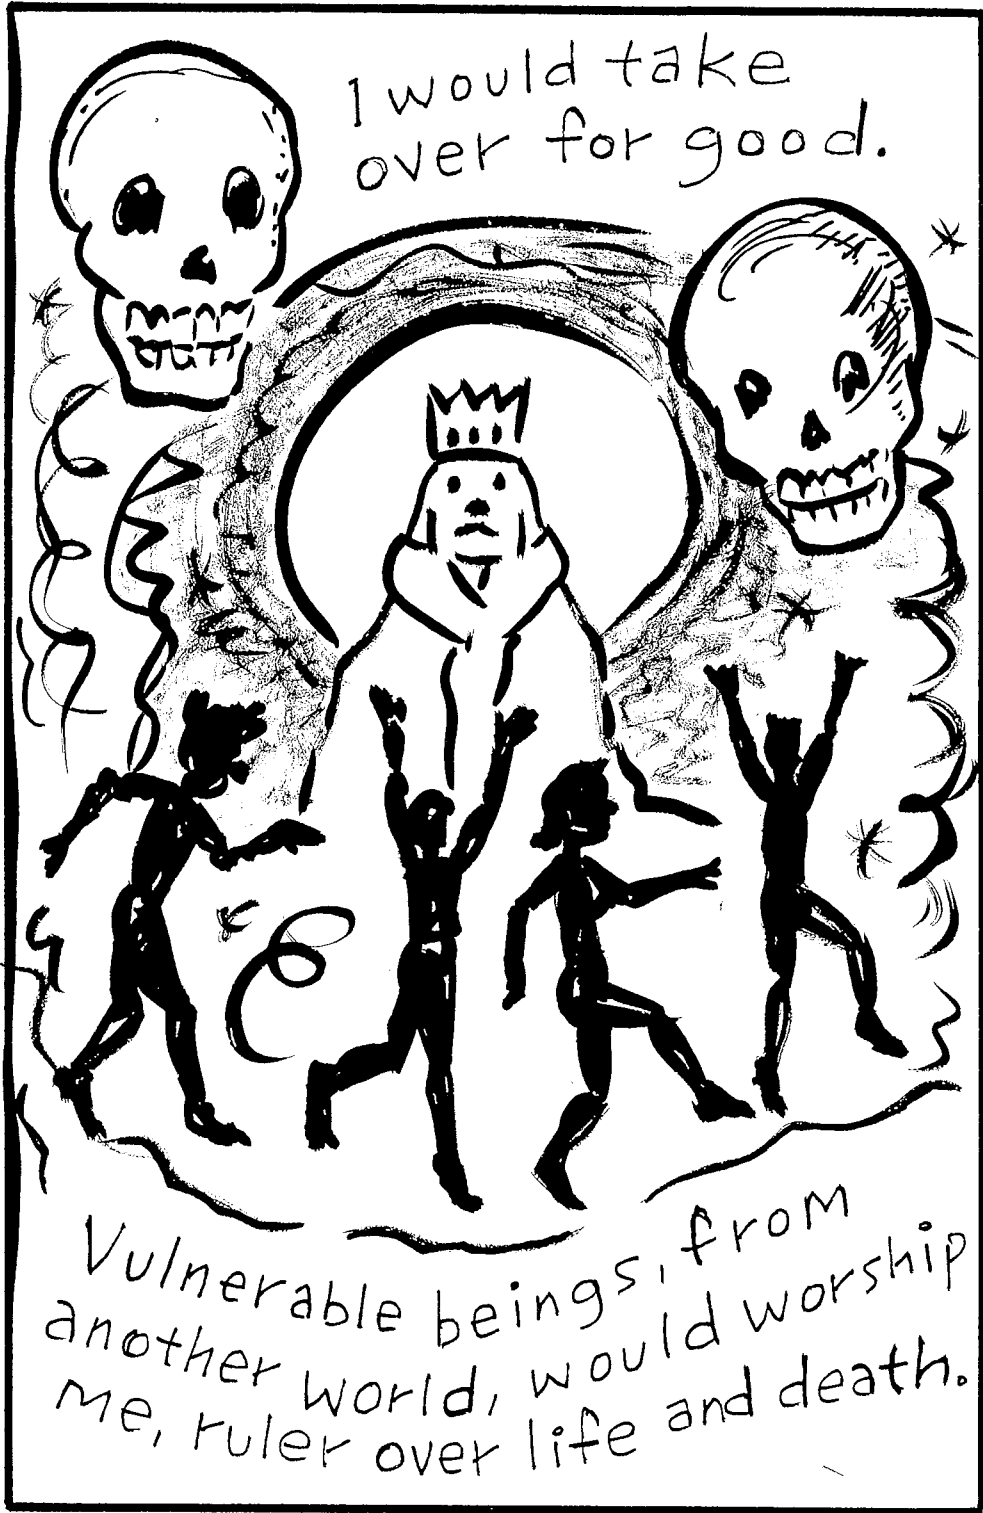

I could look back and  
take what I needed, what  
made me valuable.

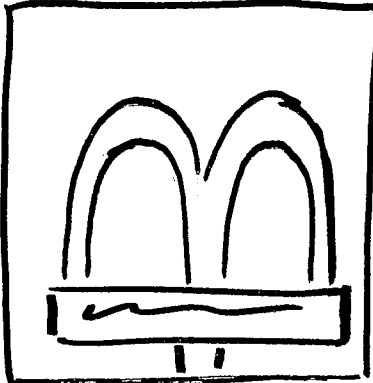

And use that to my  
advantage.

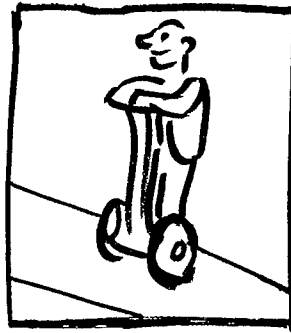

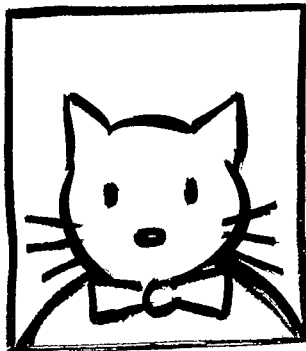

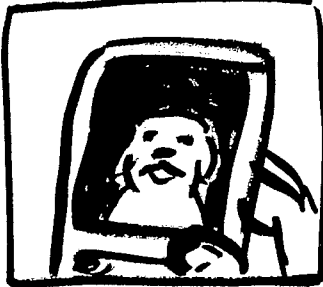

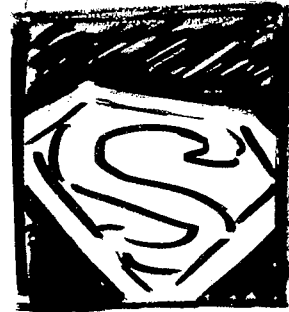

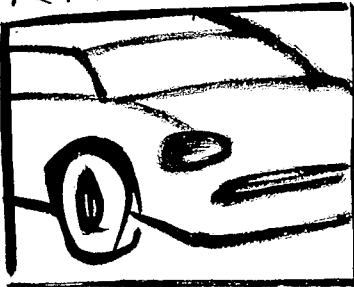

Given enough time,

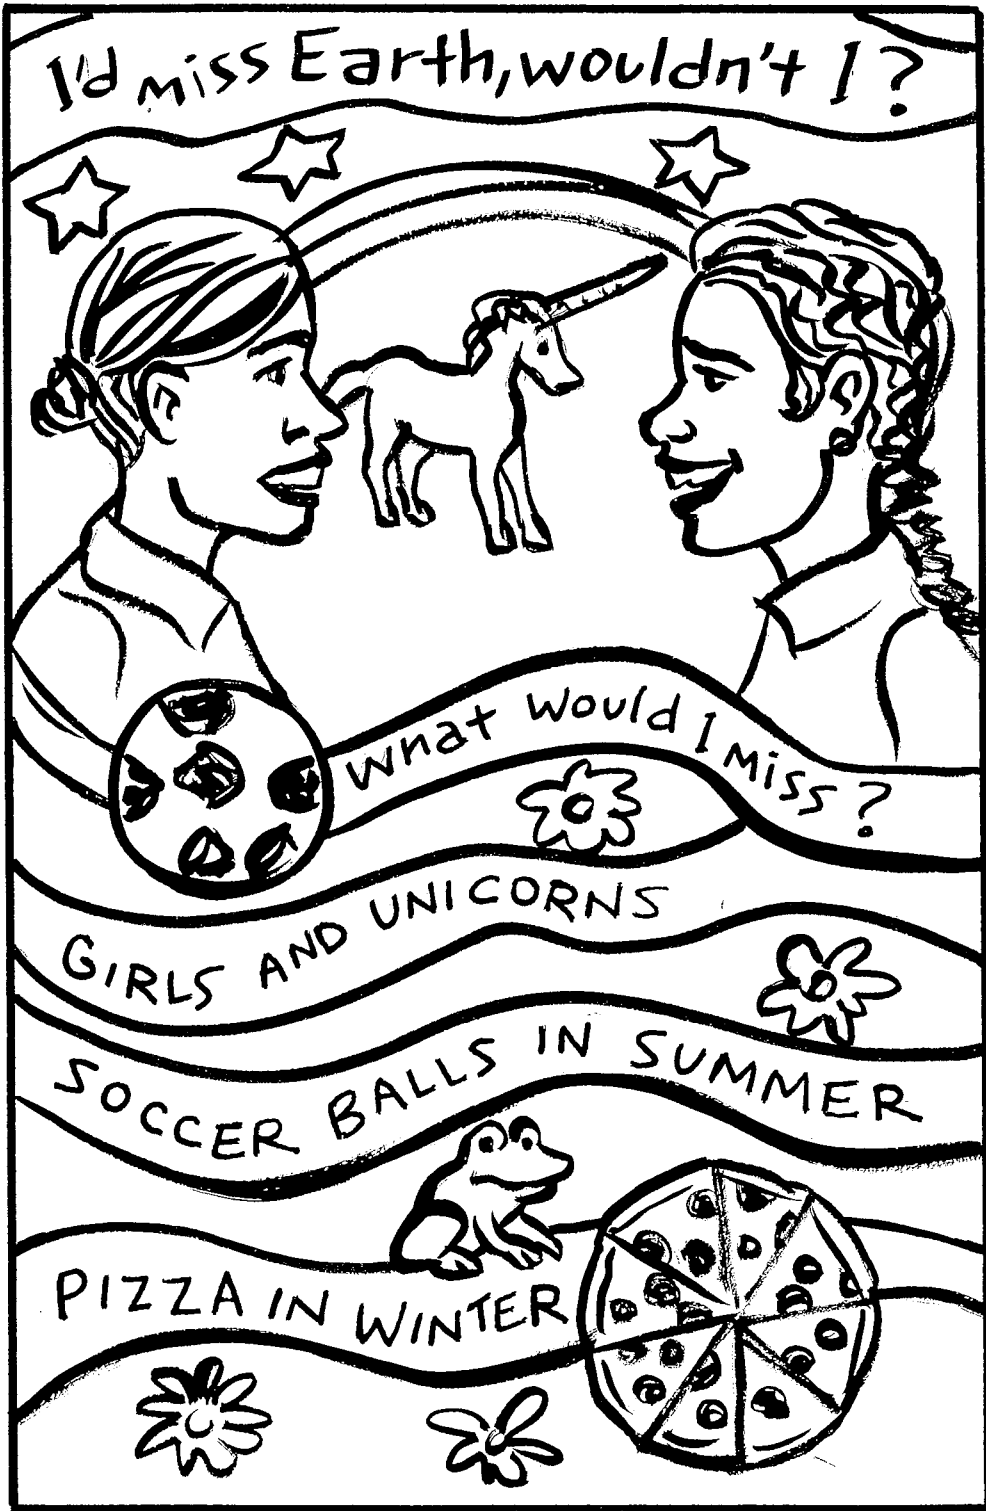

I would forget everything

I ever knew.

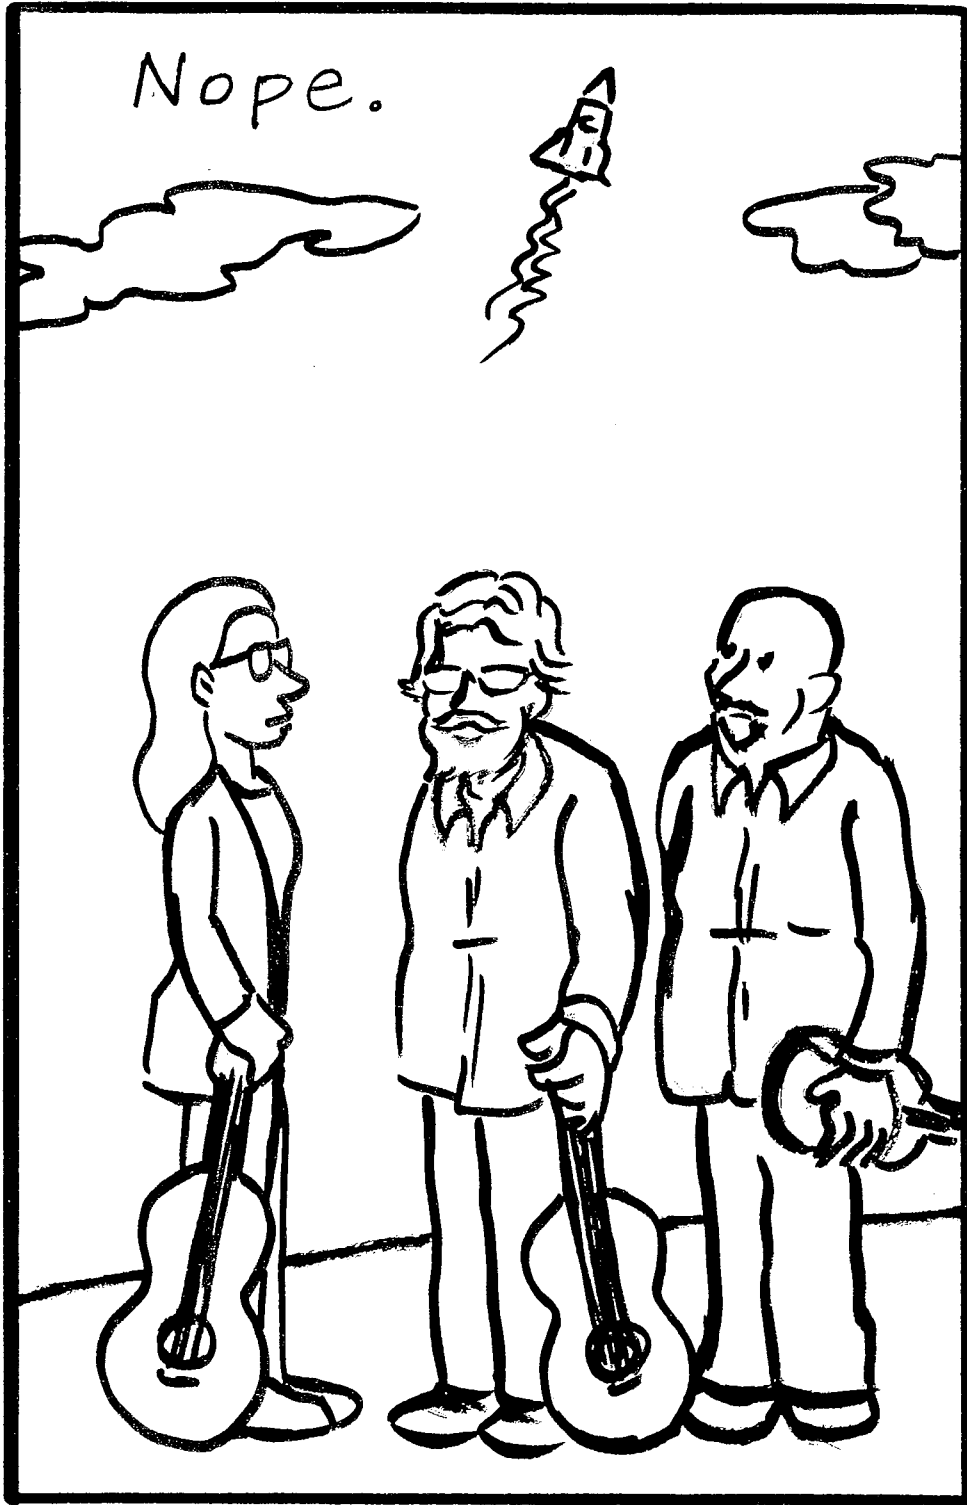

I won't miss Alpo.

I won't miss  
my master.

Not at all.
